

## RIDGE ESTATE LYTTON SPRINGS MAGNUM

£121.00

SKU: USRELS150

Categories: [Deep & Rich](#), [USA](#), [Red](#), [Dry](#)

Ridge Lytton Springs 2023 is a celebrated red blend from California's Dry Creek Valley, showcasing 76% organically grown Zinfandel complemented by Petite Sirah, Carignane, Alicante Bouschet, and Mataro. The vineyard dates back over a century, with vines planted on well-drained soils shaped by the region's warm days and cool nights, ideal for producing wines of depth and balance.

Ridge began sourcing grapes here in 1972, purchasing the estate outright in 1991, recognizing the site as a perfect match of soil, climate, and varietal. The 2023 vintage endured a cool, extended growing season with above-average rainfall, delaying harvest from late September through October, allowing slow, even ripening that enhanced complexity and freshness.
