"The Tenuta San Guido 2022 Bolgheri Sassicaia reveals a beautiful fruit profile with fresh blackberry, tart cherry and Mediterranean tones of blue rosemary blooms and lavender sachet. I tasted this wine several times over the course of a few months, and it has already shown a happy evolution coming into slow focus like the faint colors that emerge from a Polaroid photograph. Indeed, the bouquet appeared more closed just a short while ago. The wine's strongest suit is its elegantly streamlined mouthfeel and its contained 13.5% alcohol content. These qualities add to the silky cleanness of the mouthfeel and the accessible freshness of this vintage. I am confident that this bottle will improve with time. It requires patience.
