Blackwater distillery is Situated on the banks of the Blackwater River, in beautiful West Waterford. Established in 2014, they make a range of spirits including award winning gins, vodka and traditional pot still Irish whisky. Blackwater Vanilla Vodka, uses their award-winning copper pot still vodka where they use a vapour infusion process to capture the essence and flavour of the vanilla pods before cutting it with soft Waterford water to ensure a smooth flavoured vodka. On the nose, warm rice pudding. On the palate, rich, robust and complex spirit characterised by the distinct taste of vanilla, with subtle notes of butterscotch and hints of dark chocolate.
