Crafted in the distillery for over 250 years, Greenall's The Original uses the same secret recipe that has been handed down through only 7 master distillers.

This secret blend of 8 botanicals gives a classic London Dry gin with rich juniper notes, balanced with mature citrus and spice.

Greenall's make the perfect gin and tonic, complete with a slice of lime or works beautifully in gin cocktails like the Greenall's Basil Smash, Lime Martini or Wild Berry Flora Dora.
