21 years ago, “La Calle 23”, a street in a magical and colourful neighbourhood in Guadalajara, inspired the name of their tequila. To celebrate 18 years, Calle released a special 2023 edition, a unique blend of three tequilas they produce. The fruity and citrusy notes from the tequila of Los Altos de Jalisco merge with the spicy notes from the region of Guanajuato, allowing mineral and herbal hints of the tequila from Bajio de Jalisco to fully shine through.
