Our Gin has been carefully distilled with only the best botanicals to create a superb infusion with delicious British strawberries, a hint of English lavender and a touch of British honey. Only the best, freshly picked strawberries are used to create this refreshingly fruity spirit.

Light, clean palate of fresh strawberries with delicate notes of floral lavender.

**Serve suggestion:** Muddle the gin with 2 strawberries and freshly ground pepper (1/8tsp) in a shaker. Serve in copa/balloon glass with ice and topped with tonic and garnish with fresh strawberries.
